Leather Baguette Bag Crafting and Hardware Instructions

Hardware

-Use the 1,6 mm - 2,0 mm (4-5 oz) thickness leather for the best outcome

-Rivet (4 pcs)

-20 mm (3/4") Metal bag buckle (center bar) (1 pcs)

-Zipper 25 cm (10") (Type #5)

#For this Leather Baguette Bag, I recommend using one of these 3 different leather types.

- crazy horse leather
- full-grain leather
- vegetable-tanned leather

you need approximately 35 desi/ 3.5 ft2 leather
